FULL SERVICE CATERING

ABOUT PEJ EVENTS

PEJ Events was launched in 2017 as the new face of Pok-e-Jo's catering division, creating a full service solution for our clients with event needs beyond catering.

Pok-e-Jo's opened its doors in 1979, and since that time grew into one of the largest off premise caterers in Central Texas. While we've been known in Austin for years for our award-winning BBQ, the diverse offerings on the Pok-e-Jo's catering menu always surprised those that discovered it. PEJ Events has further expanded this, offering a wide array of menu options and service styles to fit the growing number and needs of our catering clientele. Our experienced, dedicated event specialists and culinary team will work with you to design a menu and assist with creating your event.

Whether you're planning a wedding, family celebration, corporate event or gala, PEJ Events is here to help make your next event a success!

SERVICE STYLES

Which service style is right for you?

BUFFET

A classic set up, buffets are designed to serve a large group of people quickly and efficiently. Buffet service allows guests to choose their own meats and sides. Menu items are displayed on a large table in chafing dishes, bowls and various other service equipment. Meats are sliced to order by a PEJ Events carver.

FAMILY STYLE

Casually elegant, family style brings your guests together at a table similar to how they might eat a family meal at home. Menu selections are served to tables on platters and in bowls. Family style service encourages your guests to engage with one another while dining.

STATIONS

A fun and interactive way to offer your guests heavy hors d'oeuvre portions of a variety of food. Stations promote a more relaxed, casual atmosphere where guests can mingle about the room as they dine.
